Week 8, Term 2

Dear

PRINCIPAL'S NEWS

Welcome to Winter - Another month gone! June already - I don't know where this year is going!

The end of term is getting closer! Early nights are needed - State of Origin excluded!!! - and recommended for all of us, as well as staying warm! There is still much work to complete every day in the classrooms. The holidays are nearly here - 2 weeks away and we will all welcome them; however, we will still need to work hard up until then!

Hopefully, you have all received your "Being a Hero" Invitations, attached last week!

Throughout terms One and Two, our students have been enjoying a Theatre Project coordinated by local artist Cilla Pershouse. This project is jointly funded by the Australian and Queensland governments under the Disaster Recovery Funding Arrangements. **Performance - Thursday 20th June, 2024 @ 11am, here at school. We are very excited to be able to perform for you!**

Yesterday, Year 4, 5 and 6 had a wonderful day at Isis District State High School for our Leadership Day. Students from Booyal Central, Goodwood and Cordalba State Schools joined with our students for some more teamworking activities that all teachers had planned. The Push Carts from Chappy Shane and Giant Egg Drop were two favourites! Thank you to Mrs McLean for helping us with transport yesterday.

Congratulations to Jay (Year 5) who will run in the Wide Bay Cross Country Carnival next Tuesday in Maryborough. Good Luck and trust your training!

Our School Wide Expectations:

Safe; Respectful; Learners

Our School Mission Statement reads:

"Our mission at Dallarnil State School is to provide a quality, holistic and lasting education in an engaging and supportive environment."

Report Cards

Semester one is fast coming to an end and that means Report Card time! Report cards for Semester One will be sent home Monday, 17th June 2024.

As Parent Interviews were not held at the end of Term 1, interviews are required at this time, and requested. Please contact the school at your earliest convenience to arrange an appointment time for myself and Mrs Ruge before the holidays.

Why Can't I Skip My 20 Minutes of Reading Tonight?

Student "A"	Student "B"	Student "C"
reads 20 minutes each day	reads 5 minutes each day	reads 1 minute each day
3600 minutes in a school year	900 minutes in a school year	180 minutes in a school year
1,800,000 words	282,000 words	8,000 words
90 th percentile	50 th percentile	10 th percentile

By the end of 6th grade Student "A" will have read the equivalent of 60 whole school days. Student "B" will have read only 12 school days. Which student would you expect to have a better vocabulary? Which student would you expect to be more successful in school...and in life?
